Sound Physicians Recruitment Campaign

Bryana Yanez-Leyva
Independent Social Media Strategy Concept

Concept project for portfolio purposes

SOUND
PHYSICIANS

Strategy Overview

- *Attract early-career talent*
- *Highlight growth, support, and impact*
- *Use clear, engaging social media content*
- *Drive applications through strong messaging*

SOUND
PHYSICIANS

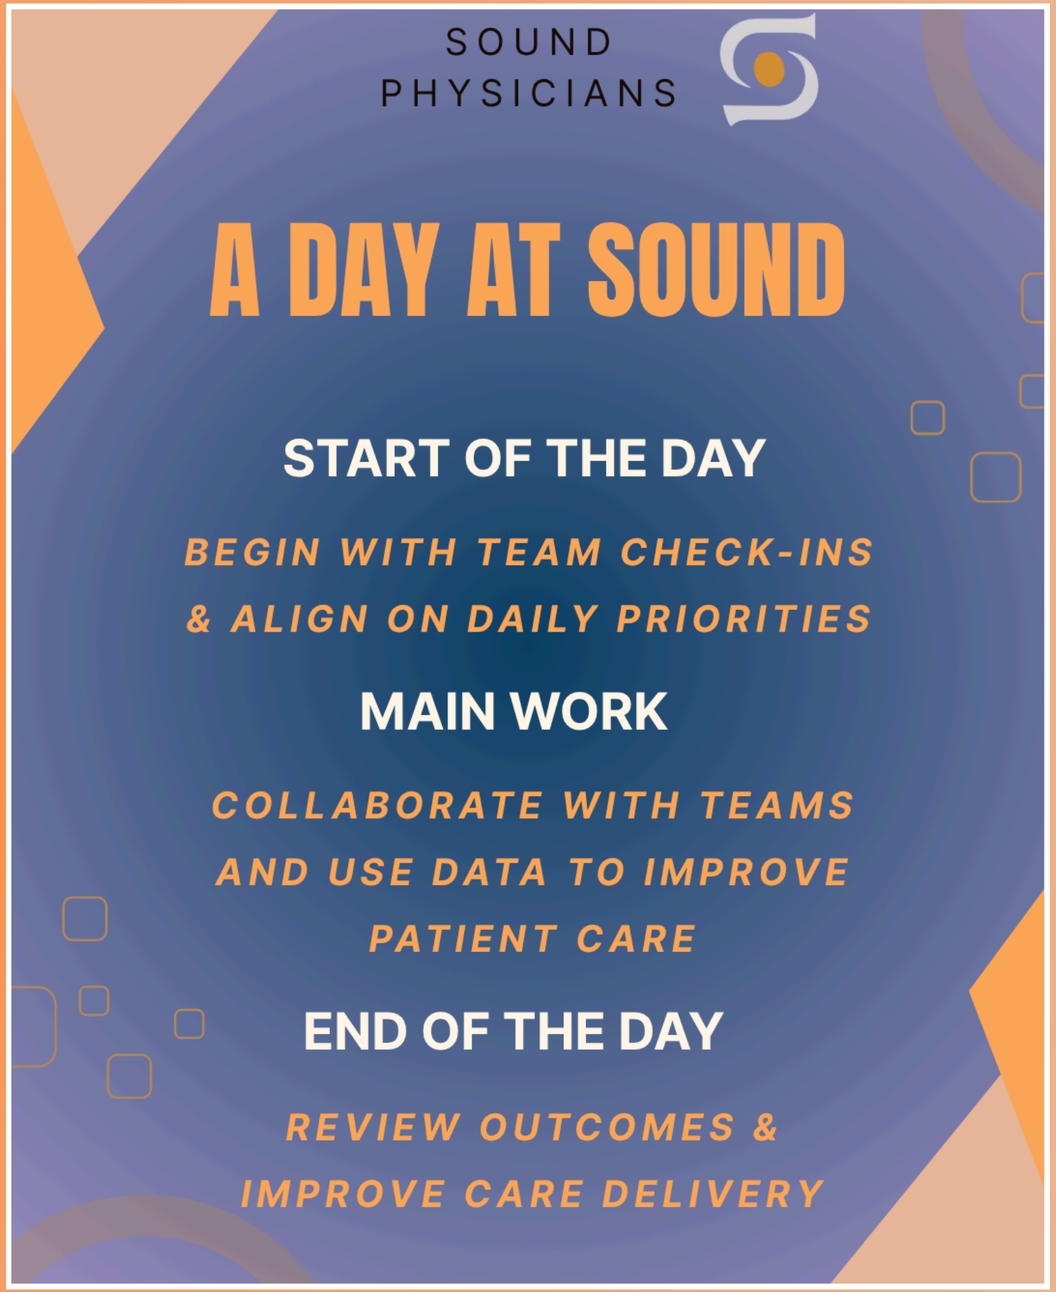
Post 1 - Recruitment

- *Focuses on career growth + impact*
- *Designed for quick readability*
- *Strong call-to-action*

SOUND
PHYSICIANS

Post 2 - Culture/Day In The Life

- *Shows team environment and daily work*
- *Helps candidates visualize the role*
- *Builds connection and trust*



SOUND
PHYSICIANS

Post 3 - Values/Impact

- *Emphasizes purpose-driven work*
- *Aligns with company values*
- *Appeals to meaningful career seekers*

SOUND
PHYSICIANS

Why It Works?

- *Simple and engaging design*
- *Clear, consistent messaging*
- *Balances career + purpose*
- *Encourages action*

SOUND PHYSICIANS

Performance & Analytics

- *Track engagement (likes, shares, comments)*
- *Measure click-through rate on "Apply Today"*
- *A/B test different headlines and messaging*
- *Use insights to improve future posts*

Example Test Idea

- *"Make an Impact" vs. "Grow Your Career" headlines*
- *Compare engagement and clicks to determine effectiveness*

sample data for demonstration purposes

SOUND PHYSICIANS

Sample Data Analysis Example

- *Compared engagement across different post styles*
- *Identified which messaging drives higher interaction*
- *Used results to guide future content decisions*
